

Peace Light from Bethlehem

Available at

Gloucester Twp. 3rd Annual Tree Lighting

Veteran's Park, Chews Landing Road

Sunday 12/16/12 6:30 – 7:30 PM

For over a thousand years lamps have been continuously lit in the Grotto of the Nativity in Bethlehem Israel. For the last 22 years, a child from Upper Austria has lit two blast proof miner's lamps from a grotto lamp. The lamps are then carried on an Austrian Airlines jet from Tel Aviv Israel to Vienna Austria from where the Peace Light is distributed at a Service of Dedication to delegations from across Europe who take it back, with a message of Peace, to their own countries. The light is then flown from Vienna to New York City. Scout Leaders light their miner's lamps in New York and spread out across the United States and Canada to share the Peace Light.

This is your opportunity to take the Peace Light home with you. Bring an oil lamp or enclosed candle and the Scouts from Troop 177 we will share the Peace Light with you.
